### **Family Vacations Made Easy at Ojai Valley Inn & Spa**

**OJAI, CA (June 2010)** – Families looking for a great vacation escape this summer with huge savings and value will find it at Ojai Valley Inn & Spa. This five-diamond resort offers you a complimentary room for your kids when you book a Shangri-la room type or better, providing an added value savings of up to 50 percent. Beginning July 5 through September 2, Family Vacations Made Easy Package is available Sunday through Thursday nights.

Camp Ojai, available to children ages five to 12 for either a full or half day, offers kids the opportunity to discover new activities and expand their horizons, from arts and crafts to outdoor games, as well as songs, skits and board and video games. Occasional theme days are introduced and daily activities are planned around the theme.

Additionally, teens have the opportunity to show their independence and “escape” their parents at “The Nest,” where they can play pool, foosball, and even wii, xbox360 and Guitar Hero. Teens are also invited to delve into creative classes in Ojai’s Artist Cottage and Apothecary designed specifically for them. Younger guests can also enjoy spa treatments tailored specifically to their age group, including mani/pedis and Teen facials. In addition to the activities offered at Ojai, teens can also enjoy a variety of activities offered nearby.

While the kids are busy, adults can enjoy everything Ojai Valley Inn & Spa has to offer, including luxury accommodations, Spa Ojai, and a championship golf course.

The whole family can enjoy the Inn’s Geocaching Challenge, which equips them with a handheld GPS system, used to locate a nearby hidden “geocache” where past travelers have left behind trinkets and mementos from their time at Ojai.
