Introducing a Kitchen for Your Mind: The Ojai Valley Inn & Spa Artist's Cottage

February 26, 2009. (Ojai, CA)—Ojai Valley Inn & Spa's Artist Cottage is the next generation of spa: a "Kitchen for your Mind."

"Traditional spas just focus on the wellness of your body," said Janis Clapoff, Managing Director, Ojai Valley Inn & Spa. "At Ojai Valley Inn & Spa, we strive to go one step further, allowing our guests the opportunity to treat not just their body, but their mind as well, through use of our Artist's Cottage and Apothecary."

Considered to be the heart of Ojai Valley Inn & Spa, the Artist's Cottage and Apothecary is staffed by the multi-talented Renate Collins, the facility's in-house Artist in-Residence. Ms. Collins supervises a wide range of creative activities, including the signature "Personal Mandela" session that provides a remarkable insight into one's own personal life and creative side. Complete details can be found at www.ojairesort.com.

"Renate and the entire team in our Spa Village are dedicated to making any visit here remarkable," noted Ms. Clapoff, adding, "We are so grateful for the recognition received from our guests concerning our Spa and its offerings, and the rating that has been given by Trip Advisor as #1 Spa in the World."
