Located in the charming historic Spanish-style town of Ojai fourteen miles from the Pacific Ocean, 35 miles south of Santa Barbara and 73 miles northwest of Los Angeles.

Ojai's unique east-west orientation attracted the Chumash Indians, the original inhabitants of this area who revered it as a place of healing, as well as contemporary spiritual seekers who ascribe mystical powers to this valley that is still called "The Nest." Today, the Ojai Valley is a haven for artists, writers and movie stars who find inspiration in Ojai's serene beauty.

HISTORY

In 1923, Edward Drummond Libbey, wealthy Ohio glass manufacturer and philanthropist, built a country club and golf course for residents and visitors. He commissioned famed architect Wallace Neff to design the clubhouse in the traditional Spanish Colonial style of Southern California.

Renowned golf course architect George C. Thomas, Jr. was commissioned to design a course from the natural terrain that was immediately hailed as “the cream of Southern California courses.”

GUEST ROOMS 308 spacious rooms and suites, most with fireplaces and terraces with spectacular mountain and golf course views. All rooms have king or double beds with exclusive “Ojai Nest” bedding, LCD flat-screen televisions and high-speed internet access.

Room rates range from \$400 to \$600; suites from \$700 to \$6,000.

All guests have unlimited use of the driving range and free valet parking.

ACTIVITIES Year-round activities include golf on the George C. Thomas-designed 18-hole championship course, a full service tennis center with four hard courts, and swimming or lounging at three heated swimming pools and whirlpools.

Camp Ojai for children 5-12 offers supervised educational activities with a focus on learning about the Chumash Indians, and outdoor activities in which our camp-goers revel in Ojai’s beautiful Mediterranean climate.

Off-property excursions include guided hiking, bird watching tours, artist studio tours, jeep tours, ocean and lake fishing, surfing and kayak lessons in the Pacific Ocean or nearby Lake Casitas.
